

OCTOBER 18, 2019

THE SCOOP

MS. RATTINGER'S NEWSLETTER

HELLO PARENTS

I apologize for the delay in a newsletter this quarter. I will get back in the routine of bi-weekly updates!

Boosterthon

Most of you know that Boosterthon is OCE's yearly fundraiser. This year we are working toward raising money for new technology in the classrooms. Thank you to those who have reached out to friends and family for donations already!

Conferences

Thank you for those who signed up for a conference! If you were not able to make any of the times posted, and would like to meet, just shoot me an email and we can find a time that works.

IMPORTANT DATES

OCT 13 - 28
BOOSTERTHON

OCTOBER 23
UNITY DAY - WEAR
ORANGE!

OCTOBER 28
FUN RUN

CONTINUED...

Pictures

There is a second set of pictures coming home for those that ordered in Friday Folders this week. They are not the "back up" pictures that we took, they are just a second set of the originals - I'm assuming these were the ones that were originally supposed to be sent.

AIG Testing

All students who were supposed to be tested have finished their testing at this point. The hurricane caused us to wait until second quarter. Results can take a very long time to come back. I will let you know as soon as I know.

Math EOG Scores

Your child's math EOG scores are coming home in their Friday Folders today. There was a delay from the county last year. Their reading scores went home with their report cards last year.

Kids Corps Backpack Buddies

The Kids Corps Backpack Buddy program is in need of a few pantry donations. We need: canned meats (tuna, chicken...etc.), canned soup, and hard granola bars. If you are able to donate any of these items you can bring them to Mrs. Malamutt's room (room 403). Thank you for helping out to make sure all of our Clippers have enough food.

What We're Working On...

Math:

Strategies for multi-digit multiplication

Area Model

Algebraic Model

Expanded Model

Strategies for multi-digit division

Area Model

Base Ten Drawings

What We're Working On...

ELA

We are working on a non-fiction unit this quarter, with a focus on animal defense mechanisms. During the first unit, we've focused specifically on:

Close reading strategies
Summarizing texts
Identifying main idea
Identifying supporting details
Vocabulary strategies
Affixes
Context Clues

CLASSROOM WISHLIST

- Colored Expo markers
- Emergency snacks (with nutrition labels)
- Case of water
- Bird seed

"IT IS ONLY WITH THE HEART THAT ONE CAN SEE RIGHTLY; WHAT IS ESSENTIAL IS INVISIBLE TO THE EYE"

Antoine de Saint-Exupéry
